Prohibited discharges.**

9.30.010 Connection to public sewer required.

Connection with the public sewer must be made, unless proper vents and traps are installed and approved by an authorized representative of the city or the applicable sewer district.

**9.30.020 Opening manhole covers—
Restrictions.**

It is unlawful for any person to open any sewer manhole without permission from an authorized representative of the city or the entity having ownership of such manhole.

**9.30.030 Discharging surface water into
sewers.**

It is unlawful for any person to connect any drain that discharges rainwater or surface water, or the contents of any spring, creek, ditch or other watercourse, with the public sewer without a permit to do the same from the entity having ownership of such sewer.

**9.30.040 Obstruction of sewers—
Prohibited discharges.**

It is unlawful for any person to empty or discharge into the public sewers any solids, garbage, or other similar matter, or any matter or thing likely to obstruct the sewer.
